## Country of Origin Report

Week of February 5, 2019

\* Information in this report was gathered by our Nicholas and Company QA team, and is subject to change. We strive to comply with the Buy American Provision by sourcing product domestically as long as it meets our quality standards, and pricing is competitive in our marketplace. According to Memo SP38-2017, "Section 12(n) to the National School Lunch Act (NSLA) (24 USC 1760(n)), requiring school food authorities (SFAs) to purchase, to the maximum extent practicable, domestic commodities or products.". Our objective in this reporting is to aid our SFA's to make the necessary adjustments as product transitions based on seasonality.
